REQUEST TO AMEND DRAWINGS

Dear Sir:

Pursuant to 37 C.F.R. § 1.121, Applicants request amendments to certain of the drawings.

In particular, in Fig. 1, please replace reference numbers 5a, 5b, and 5c with reference numbers 5a', 5b', and 5c', respectively. These reference numbers are used in the specification. See, e.g., the amended paragraph starting on pg. 1, line 22. A redlined version is submitted to show the changes.

In Fig. 6B, there are two polygons shown underlying leads 22 in original Fig. 6B: an inner dashed-line polygon and an outer solid-line polygon. Please change the inner dashed-line polygon into a solid-line polygon, and please change the outer solid-line polygon into a dashed-line polygon. Please change the line associated with reference number 6a to point to the outer, now dashed-line, polygon. Please change the two lines associated with reference numbers 5 to point to the inner, now solid-line, polygon. These amendments are made to conform the labeling of adhesive layer 6a and heat sink 5 to the cross-section of Fig. 3, consistent with the description in the specification in the paragraph starting on page 7, line 28. A redlined version is submitted to show the changes.
